Answer

(a) & (b) Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is being implemented through National Skill Development Corporation (NSDC). The trainees are issued certificate by concerned Sector Skill Councils (SSCs) after their successful training and assessment under PMKVY. The entire process and progress of PMKVY is tracked by NSDC on its IT Portal-Skill Development Management System. As per data available, out of 8.44 lakh students who have successfully completed training and assessment, 5.71 lakh students have already been issued certificates. The certification by SSCs is still going on and students are getting certified. There are certain factors like assessment reports, non-availability of Aadhar IDs, processing of data which consume a lot of time in certification. The Government has instructed NSDC to ensure issuance of certificate to candidates as soon as they become eligible. NSDC has also been following up with SSCs for expediting certification.
(c) PMKVY was formally launched by the Hon'ble Prime Minister on 15th July 2015 initially for a period of one year. A monetary reward is directly credited to the Bank account of trainees upon their successful assessment and certification. As on 22nd April 2016, some 8.44 lakh students have been certified out of which only 3.09 lakh trainees have bank accounts against which reward money has been disbursed to 2.11 lakh candidates till date. Remaining candidates would be given Reward Money after their aadhar validation and opening of Bank Accounts.
(d) & (e) Placements under PMKVY is tracked through the Skill Development Management System (SDMS) portal. As per the data declared by the training partners on SDMS portal, a total of 70,927 candidates have so far been placed under PMKVY.
